RUSS FEINGOLD'S SUPPORT FOR SOCIAL SECURITY

On Expansion:

“First, social security benefits should never be cut, they should be expanded.”

<http://bit.ly/2afMqXq>

On Scrapping the Cap:

“Multi-millionaires and billionaires, for example, should finally pay their fair share into the program.”

<http://bit.ly/2afMqXq>

On Privatization:

“But privatizing Social Security and turning funds over to Wall Street would expose retirement nest eggs to too much risk.”
