Voted against protecting current workers—even those within a month of retirement—from benefit cuts, including raising the retirement age.

Voted NO on Senator Wyden's amendment "To create a point of order against legislation that would cut benefits, raise the retirement age, or privatize social security" (despite having voted elsewhere to protect those currently receiving benefits).

(Amendments 471 and 498, S.Con.Res. 11, the Senate Budget Resolution, March 27, 2015)

RON JOHNSON'S ATTACKS ON SOCIAL SECURITY

On Privatization:

"Well, George Bush tried to do that and remember I said he got slaughtered politically. It went nowhere, which I thought was a shame."

Called Social Security a "Legal Ponzi Scheme":

"People have been paying into the system for decades as they have been working, but that money has not been put into an account with their name. That money is gone, it has been spent, paid to current beneficiaries."
