

NB: subgroups with a n-size less than 100 (<100) are not shown on these cross-tabs. We choose not to display N<100 subgroups because the sample is too small to have statistical significance. We did, however, take samples of these subgroups for representational and weighting purposes to accurately reflect the electorate makeup. Some values may not add up to 100 due to rounding.

Because of the coronavirus pandemic, many Americans are having trouble covering basic needs. Which plan would you prefer for the government to help people struggling during the pandemic:

Response	Topline	Female	Male	Under 45	45+	No College	College	Democrat	Independent	Republican
The government should expand unemployment insurance and send out \$2,000 monthly checks	55	59	51	54	56	58	51	67	50	44
The government should give people \$11,000 for every year they agree to delay their federal retirement benefits such Social Security and Medicare	20	19	22	29	16	18	24	22	18	20
The government has already done enough	25	22	27	18	28	25	24	12	32	36
Weighted N	1324	705	616	465	859	839	486	609	168	548

During the coronavirus pandemic, many Americans have sought lending. Which plan would you prefer for the government to help people who need lending services:

Response	Topline	Female	Male	Under 45	45+	No College	College	Democrat	Independent	Republican
The government should provide zero interest loans to Americans the same way the government lends money to banks	58	63	51	43	65	60	54	62	54	54
The government should give people cash assistance today if they are willing to delay taking their Social Security retirement benefits	26	22	30	34	21	24	29	25	31	26

Response	Topline	Female	Male	Under 45	45+	No College	College	Democrat	Independent	Republican
The government should allow people to use private options like payday or auto loans	17	14	19	23	13	17	16	13	15	21
Weighted N	1324	705	616	465	859	839	486	609	168	548

Because of the coronavirus pandemic, many Americans are having trouble covering basic needs. Which plan would you prefer for the government to help people struggling during the pandemic:

Response	Topline	Female	Male	Under 45	45+	No College	College	Democrat	Independent	Republican
Increasing taxes on the wealthy to fund unemployment benefits and monthly checks for the duration of the pandemic	50	58	42	43	54	52	47	65	49	35
Giving people \$11,000 for every year they agree to delay their federal retirement benefits such Social Security and Medicare	28	23	34	36	24	27	29	25	31	31
The government has already done enough	22	19	24	21	22	20	24	11	20	34
Weighted N	1324	705	616	465	859	839	486	609	168	548
